Dear Amanda,

A single dollar or can of food may not seem like much, but when friends, co-workers, and neighbors come together as you did, the collective impact is amazing! Thanks to your efforts and the hundreds of others who participated in Fund and Food Drives, we were able to create 23,416,666 meals for food insecure children, families, and seniors in 2017.

You collected 663 pounds of food. This donation could help provide 552.5 meals for our neighbors experiencing hunger. Your generosity gives Lowcountry children the hunger-free weekends they deserve, ensures seniors aren't faced with choosing between health care and buying groceries and helps hardworking families put nutritious food on the table.

We appreciate your continued dedication as we lead the fight against hunger together and look forward to working with you again soon!
